Learn more about Southeast Health from Program Directors and Administration staff as they discuss the programs, team and community. The last 30 minutes will be reserved for a Q&A session exclusively with the residents.

Registration closes 48 hours before the start of each session. Applicants will receive a Zoom link by email when registration closes as well as information about each program. You'll have an opportunity to submit questions prior to the open house on the RSVP form. We look forward to seeing you virtually!
